28th Comenius-EduMedia-Award for digital educational media

Independent of providers and producers • Transparent • Pan-European

The Society for Pedagogy, Information and Media “John Amos Comenius” (GPI), a scientific society for educational media, multimedia, educational technology and mediadidactics, in 2023 for the 28th time presents the Comenius-Edu-Media-Awards. With this award the GPI honours digital educational media of outstanding content and creative implementation. We accept submission of products intended for formal, non-formal and playful learning by digital media, fully or partly online or completely offline at all places of learning and education for all target groups from pre-school up to adult education.

The Comenius-Award is the only European media award independent of providers and producers. The published rating system stands for transparency of the award procedure.
Awards

The jury may additionally honour products with special and advancement awards.

At the award ceremony in June 22th, 2023 in Berlin the laureates will be announced. All submitters will receive an invitation to the event.
